DETAILED ACTION

This is in response to amendment after final filed on 4/11/06 in which claims 11-57 are pending. The applicant's amendments have been entered and fully considered therefore this case is in condition for allowance. In addition the pending claims have been renumbered as 1-47 respectively.

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: the prior arts of record fail to anticipate or render obvious the following recited features: adjusting a gain or the first controlled-gain amplifier stage based upon a deviation between the calculated overall power and the first reference value and selecting one of the plurality of channels during & phase of normal operation after the gain of the first controlled-gain amplifier stage has been adjusted as recited in claims 1, 22, 33 and 46.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
